

THE ONLY BREAD PUDDING I WILL EAT
Because it is more like bread – not soggy at all

Nine (9) slices of bread, usually stale is what we use. Can use a minimum of 6 slices.

2 TBS butter, melted

½ Cup raisins

4 eggs, beaten

2 cups milk

1/2 cup sugar

1 tsp cinnamon

1 tsp vanilla

Preheat the oven to 350 ° F; grease an 8 or 9” square pan.

Break up the bread into small pieces, place in the pan. Drizzle with butter, add the raisins.

Combine remaining ingredients, beat until mixed. Pour over bread, pushing the bread pieces down so the bread will soak up the egg mixture.

Bake in preheated oven 45 minutes or until the top springs back.
